

2022-2023 Instrument Rental

Bentonville West Bands

It is encouraged that each student purchase their own instrument. However, in certain circumstances Bentonville West High School can provide professional quality instruments that are considered high in cost at a nominal rental fee to students. Fees are paid each semester based on the primary instrument used. In the event of multiple instruments, only one fee will be assessed.

Instrument rental fees help pay for the maintenance and repair of the equipment used throughout the year. Students are responsible to maintain and care for their school equipment. Students must return their instrument clean and polished, and should immediately report issues or damage to the band director.

The following rental fees will be applied to the student's Charms account if necessary:
